

GOTTUMUKKALA KRISHNAM RAJU

Full Stack Developer | AI Product Builder | Mobile App Developer

Hyderabad, India | gkr.7674@gmail.com | +91 7674988158
portfolio.gkrit.in | GitHub: github.com/krishnaraju7674 | LinkedIn: krishnam-raju-g7674

PROFESSIONAL SUMMARY

Final-year B.Tech Information Technology student at VBIT, Hyderabad (CGPA: 8.0) with hands-on experience building production-grade AI platforms, scalable full-stack applications, and cross-platform mobile apps. Skilled in Next.js, React, Supabase, Flutter, and Generative AI integrations. Built real-world products including Crop Care AI, a multi-agent university ecosystem, and real-time multiplayer mobile applications. Actively pursuing Salesforce Platform Developer I (PD1) certification with practical Apex and LWC experience. Seeking opportunities in Full Stack Development, AI Engineering, or Mobile Development.

TECHNICAL SKILLS

Frontend & Mobile	Next.js, React.js, Flutter, Dart, TypeScript, JavaScript, Tailwind CSS, shadcn/ui
Backend & Databases	Node.js, Python, REST APIs, Supabase, Firebase, MySQL, MongoDB
AI & Cloud	LLMs, Generative AI, Prompt Engineering, AI Agents, Hugging Face, Vercel
Salesforce	Apex, Lightning Web Components (LWC), SOQL, Salesforce Flow, Custom Objects
Tools & Security	Git, GitHub, OWASP Top 10, Nmap, WHOIS, CI/CD, OpenCV

KEY PROJECTS

CropCare AI (cropcare.gkrit.in)

2026

Next.js | AI/ML | Supabase | Weather APIs | Vercel

- Built a production-ready AI farming platform with 69+ features focused on smart agriculture and farmer assistance.
- Developed modules including crop disease diagnosis, weather risk analysis, irrigation recommendations, and market price tracking.
- Implemented a multilingual AI assistant supporting 6 Indian languages (English, Hindi, Telugu, Tamil, Kannada, Marathi) with offline accessibility features to ensure real-world rural usability.

AI Chess Coach & Platform

2026

Flutter | Dart | Node.js | Firebase | LLM APIs

- Developed a cross-platform mobile chess application featuring real-time multiplayer matchmaking and ELO rating systems.
- Integrated AI-powered real-time move analysis to help players identify tactical mistakes and understand strategic positioning.
- Implemented scalable backend architecture and WebSocket connections to support concurrent live matches with low latency.

VBIT Nexus AI (vbit-nexus-aia.vercel.app)

2026

- Designed and deployed a university-focused AI ecosystem orchestrating 12 specialized AI agents.
- Built 24+ responsive pages supporting automated student workflows, study tools, admin dashboards, and campus utilities.
- Integrated real-time data handling and modern UI architecture for scalable, high-performance deployment.

PROFESSIONAL EXPERIENCE

Full Stack Developer Intern — NoviTech R&D Private Limited

Mar 2026 – May 2026

- Developed scalable full-stack applications integrating REST APIs, responsive UI elements, and modern cloud deployment practices.
- Practiced strict CI/CD workflows, comprehensive debugging, and agile collaborative software development methodologies.

Cybersecurity Intern — Supraja Technologies

2026

- Conducted network reconnaissance and vulnerability scanning utilizing Nmap and WHOIS lookups to map and secure attack surfaces.
- Identified and mitigated OWASP Top 10 vulnerabilities across target web applications.
- Applied strict security best practices for authentication, input validation, and session management.

AI Developer (Contract) — IndianServers

May 2026

- Designed prompt engineering workflows and integrated LLM-based multi-step AI execution pipelines into existing development cycles to enhance productivity.

Web Developer & AI Intern — Webpros Solutions

2025 – 2026

- Developed frontend and backend modules for client-facing web applications while integrating AI tools to improve user experience.

EDUCATION

Vignana Bharathi Institute of Technology (VBIT), Hyderabad

2023 – 2027

B.Tech - Information Technology

- CGPA: 8.0

CERTIFICATIONS

- Salesforce Platform Developer I - In Progress (2026)
- GenAI Powered Data Analytics Job Simulation - Tata Consultancy Services (2026)
- Full Stack Development MasterClass - NoviTech R&D (2026)
- PCAP - Python Certified Associate Programmer - Python Institute (2025)
